# Curriculum Vitae

## Personal information

| | |
|---|---|
| First name / Surname | **Dušan Arbanovski, M.Sc.Eng \| LL.M. Construction Law and Arbitration** |
| Telephone | +381 (64) 8581995 |
| E-mail | dusanarbanovski@gmail.com |
| Nationality | Serbian |

## Profile summary

Dušan is a Civil Engineer with experience in the entire project management life cycle, starting from bid preparation, design phase, project execution, completion and discharge. From the very beginning of his career, he was engaged in large-scale infrastructure projects at Ludwig Pfeiffer, an international contractor specializing in water and wastewater facilities. He subsequently specialized in contract administration, claims, and dispute resolution, acting for both contractors and employers on diverse construction projects. Additionally, Dušan holds a Master of Laws (LLM) in Construction Law and Arbitration. He effectively employs his dual education in practice and real-life scenarios.

Dušan possesses a comprehensive understanding of all aspects of alternative dispute resolution, with a particular emphasis on quantum & delay analysis.

Dušan acquired valuable practical experience in a wide range of matters and issues that arise from different types of construction contracts and governing laws by serving as lead counsel, forensic delay analyst, and/or quantum expert in numerous disputes before Dispute Boards and/or Arbitration Tribunals.

## Education

| | |
|---|---|
| School | Faculty of Civil Engineering, Belgrade, Serbia |
| Title awarded | **Master of Science (MScEng) in Civil Engineering, Structural Department** |
| School | Robert Gordon University, Aberdeen, United Kingdom |
